

SPONSORSHIP REQUEST
March 2022

After a two-year hiatus, we are up and running again with a dedicated group of dancers who volunteer at our outreach events, usually a monthly social gathering at a community center.

Our OUTREACH PROGRAM provides opportunities to increase community awareness about the health and social benefits of dance in relation to aging. Our volunteers perform for, and with, seniors at area health fairs, local community events, and at various senior centers all around the Pittsburgh area.

Pittsburgh Ballroom 2016 Inc.:

- Benefits dancers of all ages in the greater Pittsburgh Area. Our stated mission is **“Enhancing Lives Through Ballroom Dance”**
- Is a 501(c)(3) charitable non-profit organization
- Holds social dances the second Saturday of every month at different venues throughout the city
- Hosts two high profile dance events – the March Gala (One Beautiful Night) and the November Harvest Ball Dinner Dance.

Sponsorships help underwrite the costs of our providing an Outreach Program. In return, sponsors receive logo placement on our website and emails, and logos displayed at every dance on our big screen.

Please consider supporting us in our efforts to help our community reap the social and health benefits of ballroom dance — living vibrant, physically active, and socially connected lives.

Feel free to contact me with any questions.

Sincerely,

Gretchen H. Brocks
